

## Missions & Outreach

### Imagine India Newsletter — *Praying Together*

Thank you for joining with us in [prayer](#) for India and the Indian ministries that CHCC supports. We now have a regular prayer time! It's scheduled for:

⇒ 10:15-10:45am on the 3rd Sunday of each month in Rm 228 (mezzanine level of the atrium)

**Current Prayer Requests**—from the ministries CHCC supports:

- ◆ ALTC (a leadership training ministry in Delhi) —
  - ◇ Requests prayer for funds to purchase adjacent properties for expansion needs. They are looking to the Lord to provide \$42,000 the 1st property and an additional \$200,000 for a 2nd piece of property.
  - ◇ For safety for Josh and Dinu as they travel extensively throughout India to provide training, attend conferences, and prayer gatherings — and for their daughter, Rhema's wedding & reception in September.
- ◆ INIM (a Bible school and orphanage outside Delhi) —
  - ◇ For 539 new orphan or destitute children 4-18 years old. In 2011 the orphanage will care for 1263 resident children.
  - ◇ For 681 new missionary candidates from 53 South Asian groups taking 3 yrs of missionary training at the Bible school.
  - ◇ For 86 summer evangelistic & church planting teams - for their continued commitment, protection, provision and most of all "eternal fruit" for their labor - 71 teams are in areas where the Gospel has never entered before— Pray for protection of the teams.
  - ◇ For 147 new Pastoral candidates from tribal areas of Central & West India
- ◆ Dalit Freedom Network (U.S. based ministry championing the Dalit people) — Please pray for all our workers, interns, and volunteers on the ground in India who tirelessly teach in our schools, serve in our economic development programs, treat the sick in our clinics and hospitals, and carry forward the Dalit freedom and justice movement each day—sometimes against tremendous odds. Please pray they will see a great harvest for India's Dalits.
- ◆ OM India (throughout India) — Pray for future development of up and coming leaders; for more funding for the ministry; for continued good health for the families of OM staff; for the outreach and ministry of the good shepherd churches; for the Dalit children's education centers; and for the child sponsorship program.
- ◆ JVI (a pastor and field worker training ministry near Hyderabad) —
  - ◇ For the recent group of Master Trainer graduates to successfully plant churches among their chosen people groups.
  - ◇ For families in Orissa who suffer the aftermath of persecution. May they rely on Christ to see them through.
  - ◇ For a family who lost their youngest daughter in a tragic accident and had a second daughter in the hospital. Pray for wisdom for the doctors and comfort for the entire family.
  - ◇ For Dr. Vijayam and Mary as they lead the ministries of JVI.
- ◆ EMOS (a training and outreach ministry in Trivandrum) —
  - ◇ For God's anointing on the church-planting teams; for financial resources needed to restart teams that had to close.
  - ◇ For persecuted Christians around the country that God may intervene and bring harmony between people groups.
  - ◇ For continued bold witness by the women's teams. May God bring many to the Savior through them.

There is a [DTW India trip](#) planned for Oct. 1-15, 2011. We need people who can train new field workers in a variety of topics at ministries in Hyderabad and Trivandrum. **For more information please contact Karen Dunn at [karendunn@yahoo.com](mailto:karendunn@yahoo.com).**
